

INSTRUCTIONS FOR COMPLETING COVER SHEET FOR REGISTRATION OF LIMING MATERIALS

The cover sheet form of application for registration is now being used in Delaware.

1. Fill in the year, date, number of products, and remittance at the top of the form.
2. "Firm" name and address to be same as appearing on label or package. Individual submitting application should sign on the line marked "Signed". If application submitted by a different firm, please enter name and address on line marked "Signed".
3. List products for which registration is requested.
4. Attach a label for each product.
5. Submit copies in duplicate and one copy will be returned.
6. Check should be made payable to Delaware Department of Agriculture.
